Summary of reasons for decision:

The computer moving image file promotes and supports the exploitation of children for sexual purposes, and sexual violence against children. It depicts the sexual abuse of a young girl by a man. The only purpose of the file is the sexual arousal and gratification of those with a sexual interest in young girls. The file also promotes and supports sexual violence. This classification interferes with the right to freedom of expression as provided by the New Zealand Bill of Rights Act 1990. However, the classification is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed to be objectionable. This reflects the concern of a free and democratic society to protect children from exploitation and harm.
